

## Mentor Speaker Biography

Lovelda Vincenzi is a world-renowned Speaker Mentor, Moderator and Speaker. She helps confident female speakers with powerful messages become sought-after AND well paid.

As a Moderator and MC Lovelda was taken aback by the state of gender diversity on influential stages. She set about changing that with courses, resources and mentoring services.

It's not unusual for her clients to double their speaking income, receive a regular flow of inbound speaking leads and be recognised as influencers in their fields.

As a moderator and host she's been trusted to facilitate conversations with political figureheads & business leaders, celebrities, change-makers & activists. These conversations have featured heavyweights including Olympian **Tom Daley**, **Monica Lewinsky**, **Paul Polman** (Former Unilever CEO) and **Mike Horn** (Professional Explorer) to name a few.

So she knows from personal lived experience the journey to building a speaking business and is on a mission to support other women in doing the same.
